Job Posting #1985

Job Posting Date: 3/22/2019

Employer Information:

Stahls' Transfer Express
Contact: Ms. Shannon Sidorick
7650 Tyler Blvd.
Mentor, OH 44060
Phone: 440-497-5418 **Ext:**
E-mail: careers@transferexpress.com

Main Business:

Stahls' Transfer Express, conveniently located 30 minutes east of Cleveland, OH, manufactures custom heat applied transfers for apparel and more. Our transfers are used by athletic apparel dealers, T-shirt retailers, and many other markets in the U.S. and Canada. Our team endeavors to keep Transfer Express competitive. We do this by using the latest in manufacturing, sales, and marketing techniques and investing in our greatest asset, our employees. The future shows much promise and plenty of room for growth as our company continues to succeed year after year. We are a light manufacturing business that relies on many machines to successfully create our product. When the machines are down, so is productivity. That is why we need a Maintenance Technician familiar with preventative maintenance schedules and basic troubleshooting abilities to join our family.

Job Title: MAINTENANCE TECHNICIAN I

Full/Part-time: Full-Time **Job Hours:** 2nd shift

Job Duties:

- Complete work orders from ticketing system and update same
- Complete preventative maintenance as scheduled
- Perform minor building, plumbing, electrical and painting repairs as necessary
- Maintain inventory of repair equipment and supplies
- Respond quickly in the event of an emergency, notify appropriate personnel and follow safety protocol
- Maintain a professional relationship with co-workers, managers and vendors

PLEASE APPLY DIRECTLY THROUGH EMPLOYER FOR THIS POSITION

- Perform other maintenance duties as requested

Compensation: \$14-17/hr.
