Main Business: Our specialty hospitals care for chronically and critically ill or post-ICU patients who require extended hospital care.

Job Title: Nursing Assistant

Full/Part-time: Full-Time **Job Hours:** _____

Job Duties: We are currently seeking Nursing Assistants (NA) to join our team. If you are currently enrolled in a nursing program and are looking for a clinical position with flexible hours to meet your class schedule, please contact us to hear more about this role! As a Nurse Assistant at Select, you will gain strong experience working in a critical care environment. Select also offers Nurse Internship programs for licensed RNs at some locations.

As a Nursing Assistant (NA), you will work under the general supervision of a Registered Nurse and perform routine tasks in patient care, bedside nursing, and documentation of care provided.

Some of the other responsibilities of the Nursing Assistant (NA) position include:

- Performing services for the patient involving bathing using basinless bath products, oral hygiene, care of hair, and oral feeding.
- Answering patient lights and performs services in a timely manner that adds to the physical well-being of the patient
- Participating in hourly rounds

PLEASE APPLY DIRECTLY THROUGH EMPLOYER FOR THIS POSITION

- Transporting patients to and from various treatment centers when necessary; assists transporters in moving patients in and out of stretchers and wheelchairs
- Maintains the cleanliness of various instruments and equipment
- Maintains the cleanliness of various instruments and equipment such as bedpans, urinals, and wheelchairs
- Keeps the patient's room in clean and orderly condition, including making the patient beds
- Maintains unit stock levels of supplies and equipment as directed

As a Nursing Assistant (NA), you must be able to deliver superior quality in all that you do. We are seeking results-driven team players who treat patients as if they were their own family members. Qualified candidates must be passionate about providing a superior quality of care. You must also be a resourceful problem solver who thrives in a fast-paced environment.

Other requirements of the Nursing Assistant (NA) role include:

- A high school diploma or equivalent
- Current BLS
- Knowledge of basic nursing techniques and procedures, aseptic practices, and cardio-pulmonary techniques

Compensation: _____
