### Job Posting #2054

**Job Posting Date:** 4/17/2019

**Employer Information:** Life Safety Systems, LLC  
**Contact:** Mr. Dan Klag  
10143 Royalton Road, Suite R  
North Royalton, OH 44133  
**Phone:** 440-888-7960 **Ext:**  
**E-mail:** dklag@lifesafetyllc.com

**Main Business:** Fire Alarm Installation

**Job Title:** Install Technician

**Full/Part-time:** Full-Time **Job Hours:** Monday - Friday

**Job Duties:**

Minimum Qualifications:

- Entry level and/or experienced technician for new construction and retrofits
- Ability to carry large ladders (up to 75 lbs)
- Ability to work unsupervised
- Ability to read and follow blueprints
- Ability to read installation instructions
- Excellent communication skills
- Detail oriented

This position consists of installation of multiple types of low voltage equipment (surveillance systems, camera monitors, access control systems, electric locks and ID badge readers).

This position is labor intensive including work on ladders, lifts and using hand power tools. The ideal candidate will perform duties assigned by the project manager or job site foreman and has experience working on a construction crew. In addition, we are looking for a team player who is willing to learn skills on site and who is willing to go above and beyond to ensure customer satisfaction.

**Compensation:** Based on experience
