1. What age does a student have to be to attend the job fair?  
Attending the job fair is a great experience for all high school students, but participating employers will be hiring students mostly ages 16 and older.

2. Do students need to have any experience or training?  
Employers will be hiring for entry level positions. No experience is required. If you would like assistance preparing a resume that does not contain an employment history, contact the Career Specialist at your high school.

3. Will there be volunteer opportunities available at the Job Fair?  
Yes, this year we will have both paid and volunteer opportunities available to students.

4. Do adults have to accompany students to the job fair?  
It is not necessary for students to be accompanied by an adult.

5. Should parents assist students with completing applications and speaking to employers?  
It is not recommended for parents to assist their students at the job fair or attend in place of their student. Employment specialists will be available in the application areas and in the employer area to assist students.

6. What is appropriate dress for the job fair?  
Students should dress as if they are going on a job interview: clothes should be neat and clean (no jeans), minimal cologne, jewelry and makeup.

7. Can students complete applications before arriving at the job fair?  
Although the employment applications are not available prior to the job fair, it is a great idea to complete the Sample Application and bring that information. Some employers will accept this application; others may require their own be completed.

8. How long will students be at the job fair?  
Most students spend about an hour at the job fair, depending upon how many applications they complete.

9. How do we know which employers will be at the job fair?  
The list of participating employers will be posted on our website. Check back frequently as the list changes often. Follow #CVCCJobFair on Twitter to get updates.

10. Is anyone available at the high school to assist students in preparing for the job fair?  
Career Specialists are available at our associate high schools to assist students with resumes, employment applications, interviewing tips and any other questions they may have.

11. Where can I get information on work permits?  
Work permit information will be available at the Resource Table in the Commons at the Job Fair.
