MAKE CHANGE WITH YOUR CHANGE FUNDRAISER AT CVCC

Brecksville, OH- The high school Digital Design program at the Cuyahoga Valley Career Center (CVCC) is hoping to make a change by collecting donations to support the Alcohol, Drug, Addiction and Mental Health Services (ADAMHS) of Cuyahoga and Summit counties. For every dollar donation, a paper link is given. The goal is to have enough links to go across the entire CVCC building, representing unity and support. The students raised \$1,600 last year through this fundraiser, and have a goal set this year to raise \$2,000. The class that raises the most donations will win a pizza party. The Digital Design program created this fundraiser after seeing all the heartache surrounding shootings and overdoses. With the idea to help those who are suffering from mental illness, the “Make Change with Your Change” idea came about. To further help to cause, CVCC’s Digital Design students are creating infographics about how to improve mental health, as well as getting help from CVCC’s Media Arts students to create PSA’s for the Crisis text line, “4Hope”. This fundraiser will run until Wednesday, March 20, 2019. For anyone looking to “Use your Change to Make a Chain-ge” please contact CVCC’s Digital Design instructor Melissa Munro at mmunro@cvcworks.edu or call 440.746.8347.
