STEM CAREER SHOWCASE AT CVCC FEBRUARY 9

Brecksville, OH- Cuyahoga Valley Career Center (CVCC) will host the STEM Career Showcase on Saturday, February 9 from 9:30 a.m. to 11:30 a.m. This event is for middle and high school students and their parents to explore career options in a variety of STEM (Science-Technology-Engineering-Mathematics) fields. The event is free and registration is not required.

Professionals from over 40 companies, representing a variety of careers and industries, such as mechanical engineering, computer programming, respiratory therapy, and aeronautics will provide valuable career information. CVCC Career Specialists will give online assessments to help students determine what STEM careers match their skills and interests. Students can try Virtual Reality headsets, learn how the human body works with a state of the art manikin, and experience driving a hydraulic excavator, welding or flying a plane with Augment Reality Simulators.

Students will also be able to meet with over 20 college representatives and receive information about college majors and advice on high school classes to take that will be most beneficial for college admission.

Cuyahoga Valley Career Center serves the public school districts of Brecksville-Broadview Heights, Cuyahoga Heights, Garfield Heights, Independence, Nardon Hills, North Royalton, Revere and Twinsburg. Adult and Student Workshops and Adult Education courses are open and available to all residents of Northeast Ohio. The Career Center is located at 8001 Brecksville Road, Brecksville OH 44141, one mile east of the I-77/Wallings Road exit, opposite Wallings Road on Rt. 21.
