

REGINA HEALTH CENTER

A Ministry of the Sisters of Charity Health System

Regina Health Center is looking for “a few good Gardeners” to volunteer their time in our Madonna Garden, a therapeutic garden, created for its beauty and sensory stimulation for our Residents.

I am looking for the following:

Ideally, 7 Volunteers, who can each come one day per week (between 8am - 6pm) to water the garden and to do a little “light weeding” where you see fit.

If someone is interested in volunteering more than one day per week, that would be wonderful!

Volunteers are an integral part of our community and also recognized at an annual luncheon and celebration.

Please contact **Vicky Putt, Activities Director at Regina Health Center** Vicky.putt@reginahealthcenter.org or **330-659-5154** for questions or to sign up. Thank you for your consideration!
