CVCC PRESENTS
SUMMER CAMPS 2016
For Students Entering Grades 5-7
$195 for in-district students/ $205 for out-of-district students
Monday-Friday
8:00 a.m.-3:00 p.m.
Weeks June 6-10 & June 13-17

**Beautiful You!**
Campers will learn basic beauty techniques such as roller sets, spiral curling, french braiding, manicures and pedicures.

**Engineering:**
Discover the world of engineering through designing, building and testing projects to develop problem-solving skills. Campers will discover different engineering disciplines through hands-on-activities.

**Digital Animation:**
Create animations based on your favorite characters. Learn how to draw characters, add backgrounds, audio and storylines.

**Video Game Design:**
Experience the fundamentals of programming and designing your very own video game.

**Computer Programming:**
Campers will create web pages and 3D animations and learn basic HTML and CSS skills.

**Graphic Arts:**
Get creative by learning basic digital art and design along with digital photography and editing tools.

**LEGO Robotics:**
Learn to build, program and test robots using LEGO Robotics Mindstorm system using light and touch sensors to make the robot perform.

**Movie Makers:**
Test your talents by teaming up to act, direct and film a short movie. Use professional equipment and software.

**VEX Robotics:**
Learn the exciting world of VEX Robotics by building your own “Clawbot”. Also experience driving your own robot through obstacle courses.
