OUR GOALS

TO PROVIDE a fluid, gratifying transition for students attending CVCC's campus from their associate school communities while making career and technical education an integral component of the school experience.

TO INCREASE CVCC's college connection and provide an on-campus, one-stop atmosphere for our high school and adult community on the CVCC campus.

TO BUILD meaningful/rigorous career and technical programs and experiences for middle school students.

TO CREATE meaningful/rigorous career and technical programs and experiences for senior students (i.e., areas of certifications).

TO MEET the multiple needs and specific interests of students (i.e., increased offerings in Career Based Intervention).

TO GROW CVCC's campus to one-to-one technology for all students attending career technical education programs and raise levels of technological competency for each individual.
