Student Health And Safety

As part of your learning experience, you will be using equipment and materials specific to the program. You should not attempt to use items that you have not yet received instruction on. Correct safety procedures should be followed at all times.

Students must constantly be aware of conditions in all work areas that could produce injuries. Your cooperation in detecting hazards and in turn controlling them is imperative. If a situation is beyond your ability or authority to correct, notify an instructor immediately.

Students will assist in the maintenance of work areas by keeping them clean and safe. Each student is responsible for equipment that they are using. This means proper use, care, cleanup and storage of the items.

Health

Each CVCC adult student is responsible for his/her own health care. In case of sudden illness while at CVCC, the student is to contact the instructor. In case of an accident during class or lab experiences, an incident report must be completed to comply with the regulations. The student is required to provide a copy of the report to the Adult Education Coordinator before returning to class. A copy is filed in the student's file. If injury occurs in the school environment, the CVCC incident report is to be completed. A CVCC incident report may be obtained from the Administrative Assistants at the Adult Education Office or the CVCC Business Manager. Any cost for emergency treatment will be assumed by the student.

The student is expected to communicate any personal medical or surgical situations requiring care or treatment to the coordinator and instructor as soon as it occurs. A medical release without restrictions is required to return to active enrollment in the program.

If a surgical intervention is necessary while enrolled in the program, the adult must meet with the Adult Education Coordinator at the earliest possible time to facilitate continued program participation. Each situation is considered individually and all efforts will be expended to continue enrollment. The attending surgeon/MD must complete a release allowing the adult to return without restrictions.

Student Health Care Services

For Adult Education evening students, please contact your instructor or Adult Education Coordinator in the Adult Education Office in case of a medical emergency. Use your best judgment in dialing "911". Local healthcare providers will respond and are prepared to provide appropriate treatment and/or transport the student to the nearest medical facility. Illness that results in extended absence from the program will be review on an individual basis. Documentation from a medical provider may be required prior to returning to the program.

Crime Awareness And Campus Security

Federally Mandated Public Information

Students are expected to report the occurrence of any destructive actions or other emergencies to the faculty, teaching assistant, supervisor, or administrative assistants of this program and administration of school or clinical agency. It is the responsibility of each student to keep the school safe by monitoring one's own behavior and reporting incidents involving other individuals that have the potential of violence or threatening behavior. Violent behavior, direct or indirect threats, harassment, or intimidation will not be tolerated. (This includes violent abusive/harassing behaviors a student may be experiencing or who are the generator of such undesirable behavior.) Liaison relationships are operational with safety and security services and local law enforcement, facilitating reporting of offenses occurring on school campus. Authorities will be immediately notified.

Weapons, handguns, or knives in excess of 3 1/2 "are not to be on your person, in the school building, on the property, any clinical site, and/or enrichment/observation sites.

Emergency Procedures

Students are expected to comply with CVCC emergency/evacuation procedures. Basic fire evacuation is to close all doors and windows, exit through the nearest door, and do not use elevators. Evacuate quickly and quietly in a calm manner without running and talking. (Additional procedures will be discussed at orientation or on the first night of class.)

Main Entrance

All entrance doors will be locked except the main entrance on Level 6. You will be able to EXIT the building through any outside door; however, you will only be able to re-enter the building through the MAIN ENTRANCE until 9:00 pm. Please do not prop open doors that have been locked.

ENTIRE BUILDING IS LOCKED AT 10:00 pm. Please vacate the building before 10:00 p.m. as the building is officially closed and secured at that time.

Student Resources

Academic, career and personal counseling services are available. Students should contact their program instructor or Adult Education Coordinator to initiate a request. A variety of resource materials and references are available through the Adult Education Office.

Non-School Dates

CVCC observes the following holidays: Labor Day, Thanksgiving, Christmas Eve, Christmas Day, New Year's Eve, New Year's Day, Martin Luther King Jr. Observance, President's Day, Good Friday, Memorial Day and Independence Day. Other non-school days may occur due to high school activities, winter break or spring break. In the case of these events, you will be notified by your instructor and/or Adult Education Coordinator.

School Closings

The Adult Education offices will observe the same "snow days" as the high school. If the school must be closed or the opening delayed because of inclement weather or other conditions, the school will notify the local radio and television stations. It is necessary for 5 out of the 8 school districts to have school closings for CVCC to be closed. It is the responsibility of each student to become self-informed of a "snow day" announcement via the news media. Use your very best judgment as your home territory may be a very different snow issue than other areas. If daytime classes at Cuyahoga Valley Career Center are canceled due to inclement weather or for other reasons; all day and evening adult classes will be canceled. If applicable, students with weekend clinical may experience different "snow" issues as local communities and state plowing is not performed on as vigorous a basis on Saturday and Sunday. Students are urged to establish a telephone tree within the class members to facilitate communications regarding official closings. If excessive "snow days" occur, jeopardizing program requirements, class/clinical hours may need to be "made up" utilizing break time, planned days off or an extended school year.

Job Search Assistance

A job search counselor will make presentations in all career development courses. Additional assistance is available through the CVCC Job Seekers Program. Contact mssluka@cvccworks.edu. CVCC does not guarantee employment or job placement.

Student Data

Each student is to provide complete and accurate information for their school record. Any student who has a change of name, residence and/or phone number(s) must notify an Administrative Assistant or Adult Education Coordinator immediately so that the student file can be updated. This data will become a part of the permanent record and will not be shared with other students.

If a student knowingly offers false or misleading information or submits false documentation, he or she is subject to disciplinary action, up to and including immediate dismissal.

Student Records

The school maintains a file of each student in accordance with rules of the State of Ohio and program governing board. Release of information in a student's file must be **requested in writing** by the student. Only official grade transcripts are released; all other documents are the property of CVCC and will not be copied unless remanded by court. An individual file containing information about each student will be maintained in a secured area. The records will be available only to instructors and appropriate Adult Education staff.

Release Policy

The adult student voluntarily desires to participate in this curriculum experience that includes classroom, field trips, and clinical experiences. The student is duly aware of risks and hazards, which may arise through participation in activities/ experiences that may result in loss of life and/or limb and/or property. In consideration of being afforded the opportunity to participate and receive the educational benefits of this curricular experience, each student hereby voluntarily assumes all risks of illness/accident or personal damage to his person or property. Any costs pursuant to potential injury, or injury are the responsibility of the adult student. While at the facility and/or in the school environment; the adult student will not be considered as an employee or agent of the facility nor the school district. Therefore, they will be ineligible for remuneration and will not be covered by the facility's social security, unemployment compensation, workers' compensation, malpractice insurance coverage, or any other benefits. The adult student will indemnify and hold harmless the facility, and the school district, its shareholders, officers, trustees, employees, and agents from any and all liability, claims and damages, including but not limited to attorney fees and costs arising out of or related to the student's actions or activities. This release shall be binding with the signing of the contract on the part of the student, any heirs, administrators or executors. This contract is a permanent part of your file at Cuyahoga Valley Career Center.

Grievance Policy

5710 - STUDENT GRIEVANCE

The Board of Education recognizes that, as citizens, students have the right to request redress of grievances. Further, the Board believes that the inculcation of respect for lawful procedures is an important part of the educational process. Accordingly, individual and group grievances should be provided for and appropriate appeal procedures implemented.

For purposes of this policy, a student complaint or grievance shall be any such that arises out of actions, procedures, and policies of this Board or its employees or the lack of such policy or procedure.

The Board or its employees will hear the complaints and grievances of the students of this District provided that such complaints and grievances are made according to procedures established by Board Policy [9130](#).

9130 - PUBLIC COMPLAINTS

Any person or group having a legitimate interest in the operations of this District shall have the right to present a request, suggestion, or complaint concerning District personnel, the program, or the operations of the District. At the same time, the Board of Education has a duty to protect its staff from unnecessary harassment. It is the intent of this policy to provide the means for judging each public complaint in a fair and impartial manner and to seek a remedy where appropriate.

It is the desire of the Board to rectify any misunderstandings between the public and the District by direct discussions of an informal type among the interested parties. It is only when such informal meetings fail to resolve the differences, shall more formal procedures be employed.

Any requests, suggestions, or complaints reaching the Board, Board members, and the administration shall be referred to the Superintendent for consideration according to the following procedure.

Matters Regarding a Professional Staff Member

A. First Level

If it is a matter specifically directed toward a professional staff member, the matter must be addressed, initially, to the concerned staff member who shall discuss it promptly with the complainant and make every effort to provide a reasoned explanation or take appropriate action within his/her authority and District administrative guidelines.

This level does not apply if the matter involves suspected child abuse, substance abuse, or any other serious allegation which may require investigation or inquiry by school officials prior to

As appropriate, the staff member shall report the matter and whatever action may have been taken to his/her supervisor.

B. Second Level

If the matter cannot be satisfactorily resolved at the First Level, it shall be discussed by the complainant with the staff member's supervisor or Director and in compliance with provisions of a collective bargaining agreement, if applicable.

C. Third Level

If a satisfactory solution is not achieved by discussion with the Supervisor or Director, a written request for a conference shall be submitted to the Superintendent. This request should include:

1. the specific nature of the complaint and a brief statement of the facts giving rise to it;
2. the respect in which it is alleged that the complainant (or child of the complainant) has been affected adversely;
3. the action which the complainant wishes taken and the reasons why it is felt that such action be taken.

Should the matter be resolved in conference with the Superintendent, the Board may be advised of the resolution.

D. Fourth Level

Should the matter still not be resolved, or if it is one beyond the Superintendent's authority and requires a Board decision or action, the complainant shall request, in writing, a meeting by the Board.

The Board, after reviewing all material relating to the case, may provide the complainant with its written decision or grant a meeting before the Board or a committee of the Board.

The complainant shall be advised, in writing, of the Board's decision, no more than ten (10) business days following the meeting.

Matters Regarding an Administrative Staff Member

Since administrators are considered members of the District's professional staff, the general procedure specified in "Matters Regarding a Professional Staff Member" shall be followed.

Matters Regarding the Superintendent or Treasurer

Should the matter be a concern regarding the Superintendent or Treasurer which cannot be resolved through discussion with the Superintendent or Treasurer, the complainant may submit a written request to the Board President for a conference with the Board. This request shall include:

- A. the specific nature of the complaint and a brief statement of the facts giving rise to it;
- B. the respect in which it is alleged that the complainant (or child of the complainant) has been affected adversely;
- C. the reason that the matter was not able to be resolved with the Superintendent or Treasurer;
- D. the action which the complainant wishes taken and the reasons why it is felt that such action should be taken.

The Board, after reviewing the request, may grant a hearing before the Board, or a committee of the Board, or refer the matter, if permitted by State law, to an executive session.

The complainant shall be advised, in writing, of the Board's decision within thirty (30) business days.

If the complainant contacts an individual Board member to discuss the matter, the Board member shall inform the complainant that s/he has no authority to act in his/her individual capacity and that the complainant must follow the procedure described in this policy.

Matters Regarding a Classified Staff Member

In the case of a classified staff member, the complaint is to be directed, initially, toward the person's supervisor, and the matter then brought as required to higher levels in the same manner as prescribed for "Matters Regarding a Professional Staff Member".

Matters Regarding District Services or Operations

If the request, suggestion, or complaint relates to a matter of District procedure or operation, it should be addressed, initially, to the person in charge of the service or operation and then brought, in turn, to higher levels of authority in the manner prescribed in "Matters Regarding a Professional Staff Member".

Matters Regarding the Educational Program

If the request, suggestion, or complaint relates to a matter of District program, it should be addressed, initially, to the Director and then brought, in turn, to higher levels of authority in the manner prescribed in "Matters Regarding a Professional Staff Member".

Matters Regarding Instructional Materials

The Superintendent shall prepare administrative guidelines addressing students' and parents' rights to be adequately informed each year regarding their ability to inspect instructional materials and the procedure for completing such an inspection. See AG **9130A** and Form 9130F3.

If the request, suggestion, or complaint relates to instructional materials such as textbooks, library books, reference works, and other instructional aids used in the District, the following procedure shall be followed:

 - 1. author;
 - 2. title;
 - 3. publisher;
 - 4. the complainant's familiarity with the material objected to;
 - 5. sections objected to, by page and item;
 - 6. reasons for objection.
- B. Upon receipt of the information, the Director shall after advising the Superintendent of the complaint and upon the Superintendent's approval, appoint a review committee which may consist of:
 - 1. one (1) or more professional staff members;
 - 2. one (1) or more Board members on the Board Curriculum Committee;
 - 3. one (1) or more lay persons knowledgeable in the area.

The Superintendent or his/her designee shall be an ex-officio member of the committee.

- C. The committee, in evaluating the questioned material, shall be guided by the following criteria:
 - 1. the appropriateness of the material for the age and maturity level of the students with whom it is being used
 - 2. the accuracy of the material
 - 3. the objectivity of the material
 - 4. the use being made of the material
- D. The material in question may be withdrawn from use pending the committee's recommendation to the Superintendent.
- E. The committee's recommendation shall be reported to the Superintendent in writing within fifteen (15) business days following the formation of the committee. The

Superintendent will advise the complainant, in writing, of the committee's recommendation and advise the Board of the action taken or recommended.

- F. The complainant may appeal this decision, within thirty (30) business days, to the Board through a written request to the Superintendent, who shall forward the request and all written material relating to the matter to the Board.
- G. The Board shall review the case in public session and advise the complainant, in writing, of its decision within ten (10) business days.

No challenged material may be removed from the curriculum or from a collection of resource materials except by action of the Board, and no challenged material may be removed solely because it presents ideas that may be unpopular or offensive to some. Any Board action to remove material will be accompanied by the Board's statement of its reasons for the removal.

Financial Policies – General Guidelines

Tuition Statement

Each student is responsible for all tuition and fees on or before the due date. Any student in arrears with tuition may be dismissed from the program. Special circumstances concerning tuition must be addressed with the Adult Education Coordinator. Students in a financial aid eligible program may also speak with Student Support Services before the due date. All tuition and fees due Cuyahoga Valley Career Center must be paid before completion of the course of study.

Until all tuition and fees due to Cuyahoga Valley Career Center are paid in full, no transcripts of any type or recommendations will be released. No completion data will be forwarded to any Board, agency, or post-secondary institution for certification, licensure, or college credit transfer (CT²).

Any outstanding balance remaining on account will be referred to the Ohio Attorney General's Debt Collection Program.

FINANCIAL AID

Financial Aid may vary from year to year. Pell, Subsidized and Unsubsidized Direct Loans, Parent Plus Loans, WIA (Workforce Investment Act) are presently offered. Recipients of federal financial aid monies must comply with mandated provisions, which require 90% attendance and

"satisfactory academic progress" or funds will be withheld/withdrawn. *If you do not complete the portion of the program for which you were credited Title IV Federal Financial Aid, you will be billed for the balance, and you are responsible for payment in full.* A Sub/Unsubsidized Loan may be processed up to 30 days prior to successful completion of the program. Title IV monies shall not be utilized for non-refundable administrative seat fee.

Title IV Regulations

Title IV participants' student disbursements will comply with current Federal regulations. Students must complete more than 60% of each payment period to be fully eligible for the Pell grant and/or loans awarded. If student was given PELL or Direct Loan "credit" and now has not earned it, **he/she will be billed for the difference**, and may also owe the federal government, Department of Education a return of money. R2/T4 calculations will be completed as required in Federal Regulations. If required, funds will be returned in the order specified by the U.S. Department of Education. Details of their Federal Financial Aid will be provided to the student in their letter of withdrawal or dismissal.

Return of Title IV Funds

The Cuyahoga Valley Career Center Adult Education Coordinators will provide written notification to Student Support Services if a student officially withdraws or has been dismissed from a financial aid program. The coordinator will provide the hours attended and the last day of attendance to Student Support Services. If a student withdraws unofficially, the Adult Education Coordinator will provide the letter of dismissal with the last date of attendance which is determined by the program to Student Support Services. Student Support Services will complete the R2T4 Clock-Hour Form.

The Federal "Return of Title IV Financial Aid Funds" formula dictates the amount of Federal Title IV Financial Aid that must be returned to the federal government by the school and/or the student. The federal formula is applicable to a student receiving Federal Aid if that student's withdrawal date occurs after the point that the student was scheduled to complete more that 60% of the scheduled hours in the payment period or period of enrollment.

The percentage of the Title IV Financial Aid to be returned is equal to the number of clock hours attended in the payment period divided by the number of hours that were scheduled. For example, if a student has completed 30% of the payment period, they have earned 30% of their financial aid. However, once a student has completed over 60% of the hours in a payment period, 100% of the financial aid awarded during that payment period has been earned.

A post-withdrawal disbursement will be made if a student has eligibility for Title IV funds. The student disbursement will be made from available grant funds first then available loan funds. If the student is eligible for a Post-Withdrawal Disbursement, the student will be notified by letter as

soon as possible but within the thirty-day requirement. The student notification will include the fourteen-day response time and the explanation of PELL Grant LEU and loan balances where applicable. A school must maintain written records of its post withdrawal disbursement.

If there is a return of Title IV funds, the Treasurer will return the funds, they will be returned as soon as possible but no later than forty-five days from the date of withdrawal.

NOTE: If financial funds have been released to a student because of a student disbursement on the student's account, the student may be required to repay some of the aid if the student withdraws.

Order of Return of Student Financial Aid Program Funds

Funds that are required to be returned to the US Department of Education must be returned in the following order:

1. Unsubsidized Federal Direct Loan
2. Subsidized Federal Direct Loan
3. Federal Plus Loan (if applicable)
4. PELL Grant

The student will be responsible for any outstanding balance owed to Cuyahoga Valley Career Center Adult Education that Title IV (financial aid) funding did not cover.

Non-Refundable Administrative Seat Fee

A \$200, non-refundable, administrative seat fee is required for Financial Aid Programs when accepted for active enrollment to secure a "seat" in the class. Title IV monies shall not be utilized for non-refundable administrative seat fee. The non-refundable administrative seat fee is **not** a part of the tuition.

Workforce Innovation and Opportunity Act (WIOA)/Ohio Means Jobs Funding

Harassment

It is a violation of law and of school rules for any student or staff member to take any of the following actions toward another student or a staff member, or any person associated with the school district while on District property or at any school-related event on or off District property.

Anti-Harassment Policy

It is the policy (5517) of the Board of Education to maintain an education and work environment which is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, instructors, staff and all other school personnel share responsibility for avoiding, discouraging and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against harassment based on sex, race, color, national origin, religion, disability or any other unlawful basis, and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify the problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

Each employee and student has a responsibility to maintain a work place and educational environment free from harassment. Harassment under this policy includes, but is not limited to, slurs, jokes, intimidation or persistent abuse of another, whether physical, oral or written, which is directed at an individual's sex, color, race, national origin, religion or disability.

In an effort to stop the offensive behavior, an employee or student who believes he/she has been subjected to harassment as described in this policy is encouraged to calmly inform the offender that the behavior is unacceptable. Any employee or student who believes he or she has been harassed as described in this policy, must report the alleged harassment to the Business Manager or other appropriate administrator (Principal or Assistant Principal). The District Title IX/Section 504 Coordinator, Business Manager, may be contacted at 440-838-8909 or the U.S. Department of Education, Team Leader, Office for Civil Rights, 600 Superior Ave East, Suite 750, Cleveland, OH 44104-2611.

The complaint coordinator will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist members of the School District community and third parties who seek support or abide when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the member of the School District community or third party.

Complaint coordinator is assigned to accept complaints of unlawful harassment directly from any member of the School District community or a visitor to the District, or to receive complaints which are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, the Complaint Coordinator will begin either an informal or formal investigation (depending on the request of the member of the School District community alleging harassment), or the Complaint Coordinator will designate a specific individual to conduct such an investigation. In the case of a formal complaint, the Complaint Coordinator will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of harassment which are reported to them to the Complaint Coordinator within five (5) calendar days of learning of the incident.

Reports of alleged harassment will be handled confidentially to the extent possible, as allowed by applicable law(s). Any individual who alleges harassment in bad faith or participates in any investigation in bad faith will be subject to corrective action. All persons are protected from coercion, intimidation, retaliation or discrimination for filing a harassment complaint or assisting in an investigation.

Sexual Harassment

A. Verbal: The making of offensive written or oral sexual innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions, threats, or propositions toward or by a fellow staff member, student, or other person associated with the District, or third parties.

B. Nonverbal: Placing sexually suggestive objects, pictures, or graphic commentaries in the school environment or making sexually suggestive or insulting gestures, sounds, leering, whistling, and the like.

C. Physical Contact: Threatened, attempted, or actual unwanted bodily contact, including patting, pinching the body, or coerced sexual intercourse.

Dating Violence

Dating violence is one serious form of bullying/aggressive behavior. Dating violence is defined as “a pattern of behavior where a person uses or threatens physical, sexual, verbal, or emotional abuse to control the person’s dating partner”.

A dating partner is “any person, regardless of gender, involved in an intimate relationship with another (person) primarily characterized by the expectation of affectionate involvement whether casual, serious, or long-term”.

Sexting

“Sexting” involves the use of computers and cell phones to send or forward nude or obscene photos of one’s self or others. It is illegal to possess, distribute or manufacture pornography involving anyone less than 18 years of age. Students found distributing (such as forwarding a photo to a friend) or even possessing (failing to delete a received photo) such images can be found

guilty of child pornography and face criminal prosecution including being required to register as a sex offender. School officials may not keep these events within the school disciplinary system only. The law requires school officials to file a report with law enforcement authorities for investigation.

Gender / Ethnic / Religious / Disability / Height/ Weight / Sexual Orientation

A. Verbal: The making of offensive written or oral innuendoes, comments, jokes, insults, threats, or disparaging remarks concerning a person's race, color, national origin, religious beliefs, or disability.

Conducting a "campaign of silence" toward a fellow student, staff member, or other person associated with the District by refusing to have any form of social interaction with the person.

B. Nonverbal: Placing objects, pictures, or graphic commentaries in the school environment or making insulting or threatening gestures.

C. Physical: Any intimidating or disparaging action such as hitting, hissing, or spitting on the person.

Any student who believes that she/he is the victim of the above actions or has observed such actions taken by another student, staff member, or other person associated with the District should take promptly the following steps:

A. If the alleged harasser is a student, staff member, or other person associated with the District other than the student's principal, the affected student should provide the name of the person(s) whom she/he believes to be responsible for the harassment and the nature of the harassing incidents to the Principal.

B. If the alleged harasser is the student's principal, the affected student should, as soon as possible after the incident, contact the Business Manager.

The student may make contact either by written report, telephone, or personal visit. During this contact, the reporting student should provide the name of the person(s) whom she/he believes to be responsible for the harassment and the nature of the harassing incident(s). A written summary of each such report is to be prepared promptly and forwarded to the Business Manager.

Each report received by the high school administrator or Business Manager as provided above, shall be investigated in a timely and confidential manner. While a charge is under investigation, no information is to be released to anyone who is not involved with the investigation, except as may be required by law or in the context of a legal or administrative proceeding. No one involved is to discuss the subject outside of the investigation.

The purpose of this provision is to:

A. Protect the confidentiality of the student who files a complaint;

B. Encourage the reporting of any incidents of sexual or other forms of harassment;

C. Protect the reputation of any party wrongfully charged with harassment.

Investigation of a complaint will normally include conferring with the parties involved (may include parents) and any named or apparent witnesses. All students and others involved are to be protected from coercion, intimidation, retaliation, or discrimination for filing a complaint or assisting in an investigation.

If the investigation reveals that the complaint is valid, then prompt, appropriate remedial and/or disciplinary action will be taken immediately to prevent the continuance of the harassment or its recurrence.

The District recognized that determining whether a particular action or incident is harassment or, conversely, is reflective of an action without a discriminatory or intimidating intent or effect must be based on all of the facts in the matter. Given the nature of harassing behavior, the District recognizes that false accusations can have serious effects on innocent individuals. Therefore, all students are expected to act responsibly, honestly, and with the utmost candor whenever they present harassment allegations or charges against fellow students, a staff member, or others associated with the District.

Bullying & Other Forms of Aggressive Behavior (Policy 5517.01)

The Board of Education is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. The Board encourages the promotion of positive interpersonal relations between members of the school community.

Harassment, intimidation, or bullying toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. This prohibition includes aggressive behavior, physical, verbal, and psychological abuse, and violence within a dating relationship. The Board of Education will not tolerate any gestures, comments, threats, or actions which cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the District, including activities on school property, on a Cuyahoga Valley Career Center vehicle, or while in route to or from school, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, in a school vehicle, or where an employee is engaged in school business.

This policy has been developed in consultation with parents, District employees, volunteers, students, and community members as prescribed in R.C. 3313.666 and the State Board of Education's Model Policy.

Harassment, intimidation, or bullying means:

A. any intentional written, verbal, electronic, or physical act that a student or group of students exhibits toward another particular student(s) more than once and the behavior both causes mental or physical harm to the other student(s) and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s);
or

B. violence within a dating relationship.

“Electronic act” means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

Aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student’s educational, physical, or emotional wellbeing. This type of behavior is a form of intimidation and harassment, although it need not be based on any of the legally protected characteristics, such as race, color, national origin, gender, marital status, ancestry, religion, age, disability, genetic information and/or military status. It would include, but not be limited to, such behaviors as stalking, bullying/cyber bullying, intimidating, menacing, coercion, name calling, taunting, making threats, and hazing.

Harassment, intimidation, or bullying also means cyber bullying through electronically transmitted acts (i.e., internet, e-mail, cellular telephone, personal digital assistance (PDA), or wireless hand-held device) that a student(s) or a group of students exhibits toward another particular student(s) more than once and the behavior both causes mental and physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s).

Any student or student’s parent/guardian who believes s/he has been or is the victim of aggressive behavior should immediately report the situation to the building principal or assistant principal, or the Superintendent. The student may also report concerns to instructors and other school staff who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports may be made to those identified above.

All complaints about aggressive behavior that may violate this policy shall be promptly investigated. The building principal or appropriate administrator shall prepare a written report of the investigation upon completion. Such report shall include findings of fact, a determination of whether acts of harassment, intimidation, and/or bullying were verified, and, when prohibited acts are verified, a recommendation for intervention, including disciplinary action shall be included in the report. Where appropriate, written witness statements shall be attached to the report.

If the investigation finds an instance of harassment, intimidation, and/or bullying/cyber bullying by an electronic act or otherwise, has occurred, it will result in prompt and appropriate remedial and/or disciplinary action. This may include suspension or up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers, and contractors, and removal from any official position and/ or a request to resign for Board members. Individuals may also be referred to law enforcement officials.

Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of aggressive behavior is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated. Suspected retaliation should be reported in the same manner as aggressive behavior. Retaliation may result in disciplinary action as indicated above.

Deliberately making false reports about harassment, intimidation, bullying and/or other aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Deliberately making false reports may result in disciplinary action as indicated above.

If a student or other individual believes there has been aggressive behavior, regardless of whether it fits a particular definition, s/he should report it and allow the administration to determine the appropriate course of action.

The District shall implement intervention strategies (AG 5517.01) to protect a victim or other person from new or additional harassment, intimidation, or bullying and from retaliation following such a report.

This policy shall not be interpreted to infringe upon the First Amendment rights of students (i.e., to prohibit a reasoned and civil exchange of opinions, or debate, that is conducted at appropriate times and places during the school day and is protected by State or Federal law).

The complainant shall be notified of the findings of the investigation, and as appropriate, that remedial action has been taken. If after investigation, acts of bullying against a specific student are verified, the building principal or appropriate administrator shall notify the custodial parent/guardian of the victim of such finding. In providing such notification care shall be taken to respect the statutory privacy rights of the perpetrator of such harassment, intimidation, and/or bullying.

If after investigation, acts of harassment, intimidation, and/or bullying by a specific student are verified, the building principal or appropriate administrator shall notify in writing the custodial parent/guardian of the perpetrator of that finding. If disciplinary consequences are imposed against such student, a description of such discipline shall be included in the notification.

Complaints

Students and/or their parents/guardians may file reports regarding suspected harassment, intimidation, or bullying. Such reports shall be reasonably specific including person(s) involved, number of times and places of the alleged conduct, the target of suspected harassment, intimidation, and/or bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for review, investigation, and action.

Students, parents/guardians, and school personnel may make informal or anonymous complaints of conduct that they consider to be harassment, intimidation, and/or bullying by verbal report to an instructor, school administrator, or other school personnel. Such complaints shall be reasonably specific including person(s) involved, number of times and places of the alleged conduct, the target

of suspected harassment, intimidation, and/or bullying, and the names of any potential student or staff witnesses. A school staff member or administrator who receives an informal or anonymous complaint shall promptly document the complaint in writing, including the information provided. This written report shall be promptly forwarded by the school staff member and/or administrator to the building principal for review, investigation, and appropriate action.

Individuals who make informal complaints as provided above may request that their name be maintained in confidence by the school staff member(s) and administrator(s) who receive the complaint. Anonymous complaints shall be reviewed and reasonable action shall be taken to address the situation, to the extent such action may be taken that (1) does not disclose the source of the complaint, and (2) is consistent with the due process rights of the student(s) alleged to have committed acts of harassment, intimidation, and/or bullying.

When an individual making an informal complaint has requested anonymity, the investigation of such complaint shall be limited as is appropriate in view of the anonymity of the complaint. Such limitation of investigation may include restricting action to a simple review of the complaint subject to receipt of further information and/or the withdrawal by the complaining student of the condition that his/her report be anonymous.

Privacy/Confidentiality

The School District will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under this policy and its related administrative guidelines shall be maintained as confidential to the extent permitted by law.

Reporting Requirement

At least semi-annually, the Superintendent shall provide to the President of the Board a written summary of all reported incidents and post the summary on the District web site (if one exists). The list shall be limited to the number of verified acts of harassment, intimidation, and/or bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events.

Allegations of criminal misconduct and suspected child abuse will be reported to the appropriate law enforcement agency and/or to Child Protective Services in accordance with statute. District personnel shall cooperate with investigations by such agencies.

Immunity

A School District employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with this policy and R.C. 3313.666 if that person reports an incident of harassment, intimidation, and/or bullying promptly, in good faith, and in compliance with the procedures specified in this policy. Such immunity from liability shall not apply to an employee, student, or volunteer determined to have made an intentionally false report about harassment, intimidation, and/or bullying.

Notification

Notice of this policy will be annually circulated to and posted in conspicuous locations in all school

buildings and departments within the District and discussed with students, as well as incorporated into the instructor, student, and parent/guardian handbooks. At least once each school year a written statement describing the policy and consequences for violations of the policy shall be sent to each student's custodial parent or guardian. The statement may be sent with regular student report cards or may be delivered electronically.

The policy and an explanation of the seriousness of bullying by electronic means shall be made available to students in the District and to their custodial parents or guardians.

State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedures.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of aggressive behavior, including bullying and violence within a dating relationship. The Superintendent or designee shall provide appropriate training to all members of the School District community related to the implementation of this policy and its accompanying administrative guidelines. All training regarding the Board's policy and administrative guidelines and aggressive behavior and bullying, in general, will be age and content appropriate.

Annually, the District shall provide all students enrolled in the District with age-appropriate instruction regarding the Board's policy, including a written or verbal discussion of the consequences for violations of the policy to the extent that State or Federal funds are appropriated for this purpose.

Students in grades seven (7) through twelve (12) shall receive age-appropriate instruction in dating violence prevention education, including instruction in recognizing dating violence warning signs and characteristics of healthy relationships. Parents, who submit a written request to the building principal to examine the dating violence prevention instruction materials used in the school, will be afforded an opportunity to review the materials within a reasonable period of time.

The District shall provide training, workshops, and/or courses on this policy for school employees and volunteers who have direct contact with students, to the extent that State or Federal funds are appropriated for these purposes. Time spent by school staff in these training programs shall apply toward mandated continuing education requirements.

In accordance with Board Policy 8462, the Superintendent shall include a review of this policy on bullying and other forms of harassment in the required training in the prevention of child abuse, violence, and substance abuse and the promotion of positive youth development.

The Superintendent is directed to develop administrative guidelines to implement this policy. Guidelines shall include reporting and investigative procedures, as needed. The complaint procedure established by the Superintendent shall be followed.

R.C. 3313.666, 3313.667

State Board of Education Model Policy

Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any organization that creates a risk of mental or physical harm. Permission, consent, or assumption of risk by any individual subjected to hazing does not lessen the prohibition contained in this policy. All hazing incidents or knowledge of potential incidents must be reported immediately. Violation may lead to suspension, recommendation for expulsion, and/or legal action as contained in ORC 2307.44.

Statement of Liability

The Board of Education of Cuyahoga Valley Career Center school district, its members, officers and employees expressly disclaim any responsibility or liability for any personal injuries or the loss and/or damage to personal property.
