

Cuyahoga Valley Career Center is an educational facility.

Catering products and services are provided by students under the supervision of adult instructors. At times, services and products may have to be altered due to instruction or product availability. Menus utilized outside of normal class time are subject to a price increase and possible hourly rates, see event coordinator for details. All attempts to honor menu requests will be made but not guaranteed. Any dietary restrictions should be coordinated during contract. We thank you in advance for your patronage and your patience.

Evening/outside school hour requests:

- Must be arranged for pickup through your event coordinator.
- Coffee service will only include regular coffee, sugar and creamer. Decaf coffee and hot water will not be available.

***All services will include appropriate paper products.**
