

Dear Junior Student, Parent(s) and/ or Guardian(s):

We wanted to take a minute to say, "Thank You for choosing CVCC and Welcome to the Health Careers Program." We are looking forward to the start of the 2022/2023 school year and wanted to share some information which will assist in transitioning our upcoming junior class to the Career Center . Please read over the information and feel free to contact us if you have any questions.

We would like students to be in uniforms on the first day of school. On our teacher web pages you will find information on the required Program Uniforms. You may purchase these at a group discount through a company called *The Uniform Guy*. We have attached an order form with contact information along with the dates for uniform purchasing and pick up. Shoes may be white colored nursing shoes or plain, white leather tennis shoes with only minimal accent color.

Students will be utilizing online materials, supplemental workbooks and lab equipment throughout classroom instruction.

School supply lists and any Health Careers Program updates can be accessed through the CVCC website as follows:

www.cvccworks.edu. → High School Tab→ Link to Teacher Web Pages by name

We look forward to meeting all of you upon return to school for the 2022-2023 school year. School is scheduled to begin on Wednesday, August 24th.

Sincerely,
