December 10, 2020

Virtual Industry Interviews

On Friday, November 20, CVCC students did a great job participating in the Virtual Industry Interview Project, in which they interviewed professionals in their chosen field online. 56 students met virtually with 26 businesses, of which 15 were located in CVCC's associate school district communities. The goal of the Virtual Industry Interview project is to broaden student knowledge of current hiring practices and trends in their program areas. This year, students specifically obtained experience with Virtual Interviews, which may be encountered in future job searches due to the current environment this year. Instructors had the choice of having their class participate in classroom presentations or individual student interviews. The following five CVCC programs participated: Architecture and Mechanical Design, Graphic Imaging Technology, Media Arts, Power Equipment Technology, and Programming and Software Development. Many successful and well-known businesses and organizations participated, including Brecksville School Bus Garage, GPD Group, Greater Cleveland Film Commission, Hyland Software, Ohio CAT, Progressive, Sherwin Williams, Sohar's All Season's Mower Service, and S. P. Mount Printing. Most reviews of our students during the experience were outstanding; several organizations mentioned that their student interviewer would be a good fit in the field and many offered constructive advice. Thank you to all who put in time and effort to make this event a success, especially Martha Sluka, CVCC's Career and Community Resources Specialist, Maria Dworning, CVCC's Job Placement/Career and Community Resources Administrative Assistant, the IT Department who assisted with unique technology needs for the event, and CVCC Media Specialist, Gabrielle Scorzino who had to get creative with this year's class photos due to social distancing protocols.

Professional Portfolio Sessions at THS

This year, The Academy at Twinsburg High School formalized its external growth opportunities into an experience catalog. This catalog lists a plethora of courses designed to prepare students for the journey after high school. In partnership with Norm Potter, Twinsburg Curriculum Supervisor, Toni Cluse, CVCC Career Specialist for Twinsburg created a course in the curriculum catalog. This course, titled Professional Portfolio, was a two-part series provided virtually via Google Meet, that allowed students to gather a general understanding of what's needed to prepare for the job market and the competitive and rigorous college application process. In the first session held on October 27, students were provided an overview of how to prepare for the application process - for internships, employment, and/or college. Additionally, in session one, students created a cover letter based on their potential path. In session two, held on November 18, students learned the purpose and format of writing a resume. By the end of session two, students created their resume and reference documents, using the CVCC resume template customized for Twinsburg City Schools by Toni. Further resume resources can be found at: <https://www.cvccworks.edu/JobPlacement.aspx>.

Digital Portfolios for North Royalton Students

The North Royalton Senior Class of 2021 will be the first class to create a digital portfolio. This is an inspiring milestone for North Royalton! In the past, students put together a hard copy portfolio that was brought with them to their exit interview, which typically took place in October. This year, due to the unprecedented times, North Royalton High School thought it was time to make a needed change. With the direction of CVCC Career Specialist Jill Larson, students are currently in the process of putting together their digital portfolio with the use of Google Slides. Included in their portfolio is a cover page including their name, a current photo and future aspirations, as well as a home page that includes a paragraph about future goals and endeavors and a career-based photo. Additionally, a bio giving an overview of who the student is and where they are headed is included also. Furthermore, their portfolio contains major components such as, resume, reference page, cover letter, three achievements and their current transcript. The seniors will be sharing their creative, personal portfolio with a team of interviewers in March. It is yet to be determined if the exit interviews will be in person or remote. Great work students!

Wreaths Across America

The annual Wreaths Across America project was a success! CVCC's Power Equipment Technology, Construction Trades, and Education Professions Program students joined the cause to ensure that veterans at Ohio Western Reserve Cemetery are honored. Throughout this

WREATHS *across* **AMERICA**

service-learning project, 226 wreaths in total were sponsored, how admirable! This year, the National Wreaths Across America Day ceremony, held simultaneously across the country at more than 1,200 locations, will not be open to the public. CVCC is so proud of its students and community members for supporting this cause, and thank you to everyone who participated.

The Virtual Summit Cybersecurity Competition

In recent months, CVCC students in the Programming and Software Development program, and Computer Networking Academy program had the opportunity to compete in a virtual Cybersecurity competition. Participating in the event, which was posed as a virtual capture the flag completion involving problem solving, gave the students an opportunity to talk with professionals and learn about careers related to the cyber field. The event came with specific rules and conditions that needed to be followed. It was an exceptional experience, which gave students the space to have fun as well as learn. CVCC appreciates RITE, Northeast Ohio Cyber Consortium, Greater Cleveland Partnership, Baldwin Wallace University, The University of Akron, and OC3 for their support in this event.

CVCC Cosmetology Students are Thankful

Prior to the Thanksgiving break, CVCC students in Ms. Mormile's junior Cosmetology class surprised her by making a Thanksgiving poster, showing how appreciative they are for her and all she does. Ms. Mormile was so honored, as her students all decorated and signed the poster, as well as wrote her a very sweet letter detailing how thankful they are for her! What a lovely way to celebrate the Thanksgiving holiday!

Congratulations NHS Student

Congratulations to Maddi Cluse, Nordonia High School senior, who was honored on Friday, November 13 at the NHS Signing Day Ceremonies where she officially committed to attend Miami University in Oxford, Ohio on a Women's Basketball Scholarship. Maddi is the daughter of CVCC Career Specialist, Toni Cluse who works in the Twinsburg City School District and Derek

Cluse. The entire Cluse family was able to attend the event, including Matthew, a freshman at NHS, and Marcus who is in his final year at The Ohio State University College of Medicine. To make the event even more special, Toni hired the CVCC Graphic Imaging Technology class, instructed by Mr. Ruebensaal, to produce the celebratory posters. Good luck at MU Maddi!

Congratulations CVCC Adult Education Student

Cuyahoga Valley Career Center sends congratulations to Adult Education student, Asia Jackson, who recently earned her Adult Diploma! Best wishes on your future endeavors!

1st Quarter Merit/Honor Roll

CVCC congratulates all its students who achieved merit and honor roll status for the 1st quarter of the 2020/21 school year! Merit and Honor Roll recipients include:

Brecksville-Broadview Heights:

Merit Roll-

First Name	Last Name	Program
Isabelle (Izzy)	Allen	Culinary Arts 1
Carli	Began	Cosmetology 1A
Nathan	Bleidorn	Power Equipment Tech. 1
Carolann (Cj)	Brinkhoff	Hotels & Resorts 2
Jeffrey	Burket	Electrical Systems 1
Nicole	Davidson	Sales & Service 1
Dominic (Dom)	DeFranco	Fire & EMS 2
Brooke	DeMoss	Health Careers 2A
Cayden	Dickey	Computer Networking Aca.1
Steven	Englehart	HVAC 2
Ethan	Grams	Power Equipment Tech. 1
Nathaniel (Nathan)	Hauser	Construction Trades 1
Jana	Hussein	Health Careers 1A
