RE: Boilermakers Local #744 Apprenticeship

Stevens Engineers & Constructors, Inc. is a union contractor employing Boilermakers. We typically lay off most of our workforce due to seasonal reasons, when it is time to start up again, we first recall our laid off employees, and then we turn to either the union or our applicants.

The Boilermaker trade consists of highly skilled craftsmen and women who erect and maintain various types of pressure vessels while earning a decent wage.

The purpose of this letter is to provide you with information regarding the Boilermakers Apprenticeship Program. We encourage applicants to start this apprenticeship program prior to our potential need for employees.

Applications are accepted the: **3rd Wednesday of the month**
8:30-11:00 am & 1:00-4:00 pm
Boilermakers Local #744
1435 East 13th Street
Cleveland, OH 44114
(216) 241-2085

To join the Boilermakers Apprenticeship Program you must:

- Fill out the application form
- Have a Valid Driver's License
- Earn a High School Diploma or GED
- Pass a drug screening test

As an equal opportunity employer, Stevens Engineers & Constructors, Inc. ask that you join us with encouraging minority, female, veteran & individuals with disabilities to enroll in the trades.

May this information help guide anyone interested in pursuing this career choice.

Please post in a general location for your clients to review.

Sincerely,

Gail Long -EEO Compliance Officer
