## Emma Wondolowski

### Brecksville-Broadview Heights District

Emma Wondolowski is a senior from the Brecksville-Broadview Heights district and is enrolled in CVCC's Cosmetology program instructed by Ms. Fox. Emma initially enrolled in this program to meet others. After experiencing the coloring and highlighting elements of the program, it is now a passion of hers that she feels she has mastered! She appreciates how much her skills have improved since entering the program, specifically since many aspects can be very technical. Emma is grateful that CVCC is a place where students from surrounding areas can come together and learn!

Emma currently works at a local hair salon where the hours worked go toward her program requirement. She also works at the local Wild Eagle Saloon as a hostess. In her free time, Emma enjoys shopping and doing her friends' hair. After graduation, Emma plans to continue working in the salon and acquire as much training as possible. Her hope is to build up her clientele and eventually work for herself, specializing in coloring and highlighting. Best of luck Emma, CVCC is thrilled to help you achieve your dreams!
