

April 2022

Jaspreet Kaur

Twinsburg District

Jaspreet Kaur is a senior at Twinsburg High School and is enrolled in CVCC's Health Careers program instructed by Mrs. Valukievic. Jaspreet knew she wanted to be involved in a career where she was helping others; after researching the Health Careers program, she thought it would be a great opportunity to learn more about the field. Jaspreet notes, joining the program has been the "...best decision I've made!" She appreciates that CVCC brings people from surrounding communities together, and feels like her class is like a family. She has enjoyed learning, laughing, having fun, and making great memories and connections with her classmates. The work load between CVCC's program and her home school can be difficult; however, Jaspreet states, "It's worth the work!"

Jaspreet is involved in the Early Placement program at CVCC, which allows students to become employed in their chosen field. Jaspreet works as an STNA at a local nursing home, gaining quality experience! In her free time, Jaspreet enjoys listening to music and spending time with friends. Jaspreet plans on going to college and staying in the health field, possibly specializing in pediatrics. She ultimately hopes to work with children one day. Keep up the exceptional work!
