## Alisha Young

### Twinsburg District

Alisha Young is a senior at Twinsburg High School and is enrolled in CVCC's Medical Administrative Specialist (MAS) program instructed by Ms. Clements. Alisha's mother works in a similar field, and encouraged her to acquire skills and training. Alisha appreciates the education she has gained throughout her time at CVCC. Initially, she was nervous to get involved in competitions the program participates in, specifically Business Professionals of America (BPA); however, after going for it Alisha exclaims, "It was worth it!" Alisha participated in the BPA competition on a regional, state, and national level; how exceptional! Alisha enjoys coming to CVCC daily as she knows she will use all that she learns in her future career.

Alisha is also involved in the band at Twinsburg High School as well as plays basketball. She also works at a local Bed, Bath, and Beyond store. In her free time, Alisha enjoys hanging out with friends and family. She also has a YouTube channel where she participates in challenges and pranks. After graduation, Alisha is planning on working in the MAS field, and may go on to college as well. Her dream would be for her YouTube channel to take off and be successful enough to where that can be her primary source of income. Keep up the exceptional work Alisha!
