Dear Parents,

I am looking forward to an enjoyable school year at Cuyahoga Valley Career Center. I think it will be an exciting year for all of us! I want your student to be successful in my class and will do everything I can to help him or her succeed. Please read over the syllabus with your student so you know what to expect in my class this year.

Please send me an email with your contact information: student's name, your name, and phone numbers (texting y/n). I have found that email is a great method for corresponding with parents. I will generally return emails within one day. I also like to use a parent email list to keep you informed of various school events and other information that I think would be helpful for you.

Please contact me anytime you have a question or concern.
